Annual Report of

Haynes Library Association.

We herewith submit the twelfth annual report of the library trustees with the reports of the treasurer and librarian, each of which sets forth in detail all the business in their respective parts.

The services of Mrs. Bullock as librarian have as in the past given satisfaction to the association.

Of the books we think none have been lost and as a general way they have been well used. Quite a number have been added to the library; for further information see librarian's report. The trustees have placed a substantial fence around the library grounds.

The association has received from Mr. E. A. Perkins of Quincy, Mass., a fine, large picture suitably framed, of himself, which has been hung with others in the library. This completes the list of individuals who have helped the library association financially.

Respectfully submitted,

A. F. CHENEY. Secretary of Association.
